Description of Course
Class piano instruction aimed at non-keyboard music majors to develop functional keyboard skills through sight reading, scales & arpeggios, harmonization, accompanying, transposition, improvisation, and repertoire.

Semester Hour Justification
(1 credit) typically meets twice each week in 50-minute segments for 15 weeks. This also meets for a 2-hour final examination. Students develop their musicianship and functional keyboard skills including transposition, harmonization, technique, and score reading through collaborative group practice and individual practice. Performance tests are given approximately once per week in class. Preparation and practice for performance tests require a minimum of 4 hours of work each week outside of classroom hours.

Program Learning Outcome
Students will demonstrate the ability to hear, identify, and work conceptually with the melodic, harmonic, and rhythmic elements of music, including sight-singing and analysis.

Students Learning Outcome
At the end of the course, piano students will be able to:

- Play Major and Minor Scales and Arpeggios hands together, in parallel motion, with correct fingering, and at a steady tempo.
- Play common diatonic chord progressions in multiple keys.
- Harmonize Melodies with secondary dominants.
- Play solo repertoire similar in difficulty to "Bagatelle" by A. Diabelli.
- Play individual parts from an instrumental score transposing to concert pitch when necessary.

Course Requirements:
Students will be required to perform numerous performance quizzes at the piano throughout the semester.

33% UNIT 1 QUIZZES - Scheduled during weeks 1-5 (see D2L Brightspace for dates).
33% UNIT 2 QUIZZES - Scheduled during weeks 6-10 (see D2L Brightspace for dates).
33% UNIT 3 QUIZZES - Scheduled during weeks 11-Finals Week (see D2L Brightspace for dates).
Grading Policy:
Each performance quiz will receive a grade between 0-10. Grades are averaged based on the following scale:

A = 9.0 and above
A- = 8.0 - 8.99
B+ = 7.5 - 7.99
B = 7.0 - 7.49
B- = 6.5 - 6.99
C+ = 6.0 – 6.49
C = 5.0 - 5.99
C- = 4.5 - 4.99
D = 3.0 - 4.49
F = under 3.0

Instructors reserve the right to add other graded material such as assignments, projects, participation, or practice grades. Any additions will be averaged in with quiz grades.

Acceptable Student Behavior

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Phones and mobile devices should be turned off and put away. The only acceptable use of devices is to check grades and comments on D2L. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Early Intervention Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Attendance Policy:

Attendance to all classes is required.

4 unexcused absences will result in the final grade being lowered one letter.
6 unexcused absences will result in the final grade being lowered two letters.
8 unexcused absences will result in the final grade being lowered three letters.

The instructor will excuse absences at his or her discretion. Proper documentation such as a doctor’s note will be required upon return to class for requests to excuse an absence. All students are expected to arrive to class on time ready with their textbook. Repeated tardiness or coming to class without a textbook may be applied as absences and could lead to failure of the course. As a courtesy, always ask the instructor for permission to leave the classroom. The instructor will usually grant permission, but if it is a regular occurrence, then the instructor may count the time students are out of class as partial or full absences which can affect the final grade.

Any student whose unit 3 quiz average is a “D” or “F” will be assigned that grade for the course, regardless of other grades for the semester.

Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. Withheld Grades Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
Text and Materials:
REQUIRED: Alfred's Group Piano for Adults, Book 2 (2nd edition) by E.L. Lancaster and Kenon Renfrow
(Supplementary CD-ROM is recommended but not required. Students should bring their textbook to EVERY class.)

Practicing Piano
In order to be successful in piano class, students should practice on either an acoustic piano or a digital piano with weighted key action on a regular basis. Practice rooms with pianos are located on the second floor and on the first floor (between band hall and choir room) of the Wright Music Building. The digital pianos in Room 259 of the Music Building are free to be practiced on when the lab is open, and there is no other class present in it. Please treat all pianos with care. If there is a problem with an instrument, report it to your instructor or the music office.

For students who choose not to utilize the pianos in the practice rooms or piano labs, they are required to have access to either a digital piano keyboard or acoustic piano for practice and to record assignments and quizzes when applicable. These keyboards should be comparable to the digital pianos found in the piano labs and practice rooms (88 touch-sensitive keys with weighted action is recommended. 61 keys is required). Even students who utilize the piano lab or practice room pianos should consider having another keyboard instrument in their dorm, apartment, or home as a backup in case of a campus shutdown or quarantine.

Academic Integrity (A-9.1)
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at: http://www.sfasu.edu/policies/academic_integrity.asp

Otherwise the zero grade will remain, and the student will not be allowed to make up the quiz later in the semester.*
