Course Objective: to examine various aspects of aural skills including singing major and minor melodies with larger diatonic leaps, subdivision, syncopation, and chromatic alterations; rhythm reading in simple and compound time with subdivision; dictation of intervals, triads and 7th chords in inversions, melodies with leaps on primary triads, rhythms with subdivision, and 4-part chord progressions with diatonic triads, 7th chords, and secondary function chords.

This is a 1 hour credit class. Expect to spend time outside of class on Auralia and preparation for tests.

Attendance: Regular attendance is essential in this class. The student is allowed three unexcused absences. Excused absences are illness with a doctor’s note and other University class functions with notification from your teacher. Each unexcused absence after three will result in a penalty of one point per absence deducted from the final average. Students who have 0 or 1 unexcused absences at the end of the semester may drop one dictation quiz grade (not *Auralia* grades or the dictation final).

**In the event that classes need to meet on Zoom due to COVID issues to be counted as present in Zoom class meetings, your camera must be on and your face needs to be seen on the screen.**

**Face masks or other face coverings are strongly encouraged to be worn in the classroom to help protect you and prevent the spread of COVID to others.**

Evaluation Procedures: Your grade will consist of the following:
1. Four rhythmic reading/sight singing tests--the final one will be given during dead week.
2. Three keyboard quizzes
3. Dictation quizzes
4. Dictation final--counts double a regular grade
5. *Auralia* assignments
6. Additional quizzes or assignments as necessary

Performance tests 40%  Dictation tests 30%  Auralia  30%

Make-ups will be given only for excused absences or in extreme situations. If possible, please notify me BEFORE class if you are going to be absent. Email me at knelson@sfasu.edu or call and leave a message at the music office (468-4602).

Once verified, ODS will notify the course instructor and outline the accommodations and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodation. The SFASU School of Music Undergraduate Handbook states: “Courses required to be taken concurrently (MUTC 1116 & 1211; MUTC 1117 & 1212; MUTC 2116 & 2211; and MUTC 2117 and 2212) must BOTH be passed with a minimum grade of "C" before moving on to the next two courses. Thus, students who meet the minimum requirements in only one of the two courses may NOT move on to the next level until the deficiency is rectified.” Also, be aware that you only have two attempts to pass any required music class.

Withheld Grades Semester Grades Policy (A54): Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH or the grade will automatically become an F. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Academic Integrity: (A-9-1): Academic Integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Academic Dishonesty: Academic Dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or other source; and (3) incorporating the words or ideas of another into one’s paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Any work found to be in violation of the Academic Dishonesty Policies will not be accepted.
