Policy 5.4

Your schedule should reflect that there is (1) an amount of student work per credit hour that reasonably approximates not less than one hour of class or direct faculty instruction and two hours of out-of-class student work per week for fifteen weeks over a long semester, or the equivalent amount of work over a different amount of time; or (2) at least an equivalent amount of work as outlined in item 1 above for other academic activities as established by the institution including laboratory work, internships, practices, studio work, and other academic work leading to the award of credit hours.

Grades

Grades will be given based on attendance, work attempted and completed, attitude and helpful nature to all students.

Class Attendance
Regular and punctual attendance is expected for all classes, laboratories, and other activities for which a student is registered. Attendance policies shall be stated in the syllabus. For those classes where attendance is a factor in the course grade, an accurate record of attendance shall be maintained. Regardless of attendance, the student is responsible for course content and assignments.

Excused Absences

Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Students are responsible for providing satisfactory documentation in a timely manner to the instructor for each absence. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with acceptable excuses may be permitted to make up work for a maximum of three weeks’ worth of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make up work must be completed as soon as possible after returning from an absence in accordance with the course syllabus.

Acceptable Student Behavior

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties.

Withheld Grades Semester Grades Policy (5.5)

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
