Course Description
Business Communication 2304 – Application of business communication principles through creation of effective business documents and oral presentations. Includes study and application of team communication and use of technology to facilitate the communication process. Prerequisites: six hours from English 131, 132, 133, or 235, with a grade of C or better.

Class Time and Place: Online course, no face-to-face meetings. “Introduction to Business Communication” offers 3 credits during a standard length semester. During the course of the semester, students will engage in the textual study of business-communication theories, which will be validated through quizzes, in-semester exams, and/or a final exam. Written deliverables include a combination of common business-communication artifacts (e.g., letters, memos, miscellaneous written messages, job-search documents, proposals, and reports) produced in either an individual or team setting. Course coverage will also typically include employment communication, team building skills, and oral presentation techniques. Activities linked to textual study, the research/drafting/revision phases of preparing written documents, and the development of oral presentations will average a minimum of 6 hours of student work per week.

Grades/Submission Policy
Online students are expected to submit online assignments by the deadlines. Grades can be accessed through Desire2Learn (D2L). You should check your posted grades and communicate any questions. You must check your grades prior to final exam week. Unless you email prior to finals week, you indicate you are in agreement with the grades posted. Do not contact the instructor during finals week asking to makeup an assignment or be allowed extra credit! Please see Makeup Policy for more information.

All writing assignments must be submitted via D2L using Microsoft Word or PDF. (See syllabus section on Software required for the course.) All assignments that are not submitted according to course instructions will result in a less or zero grade. Make-up Policy (University Excused)
Makeup assignments and exams/tests will be allowed only in the following situations:
- Serious illness verified by a doctor’s note with a statement of inability to attend class/i.e. take the test.
- Personal or family emergency, documented appropriately. Since this is an online course, being out of town is not an acceptable excuse from incompleteness of assignments. It is the student’s responsibility to ensure that s/he plans ahead to complete assignments before the final submission date and time.

Other Policies/Procedures
Teams: [DUE TO CURRENT PANDEMIC PARAMETERS, TEAMS MAY NOT BE ASSIGNED THIS SEMESTER. CHECK THE D2L NEWS PAGE FOR CLARIFICATION]
Students will be randomly assigned to teams by D2L software. Teams will have two to four members depending on class enrollment. Your involvement in the team is not optional but is designed to be a
positive experience for all. Team members will participate in discussion boards, the Course Project, and other assignments, in order to learn and add to the learning process. However, all team activity grades will be assigned individually unless otherwise noted. For example, both the Course Project Report and Presentation are submitted individually for individual grades.

The official channel of team communication will be the team discussion board on D2L. It is YOUR RESPONSIBILITY to keep in touch with your team and to discuss the assigned topics as outlined in this syllabus and in D2L.

A team member who is not performing effectively in the team may be FIRED from the team in consultation with the instructor. The team member may be fired by the team or by the instructor. The primary causes for firing include invisibility (no one has communicated with or heard from the person) or nonperformance (person does not do his/her work in a timely manner.) The technology channels (Discussion Boards, Lockers, Chat rooms, etc.) will be examined to see what contributions the team member has made to the team. A fired team member will be at the mercy of his/her team members and the instructor as to what options follow his/her being fired.

Professional Courtesy: This class will be conducted in a professional manner. This means 1) submit work on time, 2) avoid profanity and/or offensive language in your communication, and 3) participate fully and courteously with your team members. In regards to courtesy to others in the course and on your team, do not send harassing Emails, texts, or messages using offensive language. Such communication may result in a reduction of the sender’s grade.

“Joke” assignments, using inappropriate or questionable content for oral presentations or written assignments, may result in NO CREDIT for that assignment. If you have questions about what might be professional conduct, please contact me BEFORE submitting the assignment.

Student Academic Dishonesty (University Policy 4.1)
Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to (1) using or attempting to use unauthorized materials on any assignment or exam; (2) falsifying or inventing of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to (1) submitting an assignment as if it were one's own work when it is at least partly the work of another person; (2) submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or (3) incorporating the words or ideas of an author into one’s paper without giving the author credit. Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university. Please read the complete policy at http://www.sfasu.edu/policies/student_academic_dishonesty.pdf. This course utilizes TurnItIn to check for academic dishonesty on all written assignments.
Course Grades (University Policy 5.5)
At the discretion of the instructor of record and with the approval of the academic Module head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy related to active military service. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average. Please refer to the complete policy at http://www.sfasu.edu/policies/course-grades.pdf.

Students with Disabilities
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Room 325 in the Human Services Building, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Student Conduct (University Policy 10.4)
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the full Student Conduct Code at http://www.sfasu.edu/policies/student-conduct-code.pdf.) Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic, or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/ inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
