ASSIGNMENTS, PROJECTS & EVALUATION

V  COURSE ASSIGNMENTS, ACTIVITIES, INSTRUCTIONAL STRATEGIES, USE OF TECHNOLOGY

Assignments, assessments, and discussion links are presented in D2L. It is your responsibility to complete work ONLY AFTER you have read the assigned information in the text and modules. Going straight to the assignments IS NOT considered responsible and may show in your work.

You must have a browser that supports D2L at SFA. All necessary software information is available from SFAOnline. This course is completely web-based on D2L. This course may be accessed through MySFA or directly at https://d2l.sfasu.edu/

Success with Accessing Assignments
Know that if you intend to use a "dial-up" connection to access the Internet and this course that you may experience long wait times for files to download and you MAY NOT be able to view all pages in the course. Not being able to view all information is NOT a valid reason to miss requirements. Please make arrangements ahead of time to ensure that you are able to access all components of this online course and are able to log in to the course daily.
Begin your assignments early in case you have technology problems. Then you have time to receive the technology help you need and still complete course requirements on time. If you encounter issues with D2L, please contact the Office of Instructional Technology (OIT) at 936-468-1919.

ASSIGNMENTS
Assignments will be submitted via D2L, unless otherwise specified by your instructor. Plan ahead so that you will not miss a due date in the event of personal issues or technical difficulties. If you experience extenuating circumstances, contact the instructor via D2L email prior to missing the due date. In the event of a truly extenuating circumstance (e.g., you are in the hospital for several days) that prevents you from contacting the instructor ahead of time, you must contact the instructor via D2L email within 24 hours of missing an assignment to make arrangements for making it up. Please be aware that you may be asked to provide documentation of the extenuating circumstance and that the instructor reserves the right to not grant an opportunity to submit a missed assignment, in which case a grade of zero will be earned. All assignments must be typed and submitted as a Microsoft Word (or Rich Text Format) document online through D2L. You are responsible for checking your attachment to ensure it is in the correct format. Assignments submitted in an incorrect file type may earn a grade of zero. In order to enhance learning in this course, assignments may be altered, or additional assignments may be added as the need arises.

END OF COURSE

VIII COURSE EVALUATIONS
Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:
1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.
As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

UNIVERSITY POLICIES

IX STUDENT ETHICS AND OTHER POLICY INFORMATION (WWW.SFASU.EDU/POLICIES)

ATTENDANCE

- This course meets in cyberspace. There are no face-to-face meetings. Students will login to Desire to Learn (D2L) EACH day. Due to an abbreviated semester, it is imperative that students stay abreast of all assessments, assignments, chats, discussions, postings, and communications. The only way to do this is to CHECK THE COURSE at least once daily. A student tracking system monitors courses in D2L. Evidence of daily participation, discussion postings, viewing and submitting assignments, and viewing and taking quizzes is available to the instructor of record and the instructional assistant. Learn more in D2L.

- ACADEMIC ACCOMMODATION FOR STUDENTS WITH DISABILITIES (POLICY 6.1 AND 6.6)
  To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

- STUDENT ACADEMIC DISHONESTY (POLICY 4.1)

      - submitting an assignment as one's own work when it is at least partly the work of another person;
      - submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
      - incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

  At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
• STUDENT CODE OF CONDUCT: POLICY 10.4
  Disruptive Behavior--Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program.
