IV. Course Assignments, Activities, Instructional Strategies, use of Technology

1. HDFS 3341 is an online course. Class attendance and participation are crucial as students are expected to log into the course daily to stay current with course assignments/discussions, exams, and course information. Students who have technical difficulties accessing the course homepage, assignments/discussions, or exams should call SFA’s D2L Support Team at (936) 468-1919. The D2L Support Team is available Monday-Friday, 8:00 a.m. – 5:00 p.m.

2. Information notices for all assignments, discussions, and exams will be posted on the course homepage. The homepage includes tools for class assignments, discussion board questions, exams, and grades which will be posted in D2L. All coursework will be accessible online.

3. Course content is delivered via Brightspace/D2L, which includes: instructor content notes, assignments, exams, and discussion board questions directly relevant to the course content. Students are responsible for reading assigned content and completing all posted assignments, discussion questions, and exams by the due dates/times.

V. Evaluation and Assessments (Grading):

The course is graded on a letter grade basis (A-F). There are tentatively 500 required points for
the course. Final grade will be determined by a percentage of total required points for the course. A=90-100%; B=80-89%; C=70-79%; D=60-69%; F=0-59%. If necessary, revised required course points will be posted before the final examination time period.

Late work on any assignment will not be accepted unless there is a compelling reason (written documentation must be provided). Experiencing problems with the computer and/or printer, failing to view the assignments/discussions/exams, and submitting assignments via e-mail to professor are unacceptable reasons for failing to complete coursework by the due date/time. Do not request to turn in an assignment/discussion/exam late for any of these reasons. Students should always review any document that is uploaded to the Dropbox to ensure that it is readable and that it is the most appropriate document for the given assignment.

Course Points:

Course Content Exams = 300 Points. Students will take a total of 3 exams relating to course content throughout the semester. These exams are like traditional course exams. Students will have 120 minutes to complete each exam. Students should call 936-468-1919 for technical help between 8:00 a.m. and 5:00 p.m. (PLO’s addressed: 1, 2, 5; SLO’s addressed: 1, 2, 3, 4, 5, 6, 7).

Students must contact the professor prior to the exam date if rescheduling is necessary for a compelling reason with documentation. Students should notify the instructor as soon as possible, preferably more than a week prior to the regularly scheduled exam date. Missing the scheduled exam date means that a student will earn a zero for the given exam.

Discussion Board = 60 Points. Discussion questions will relate to course content and assigned readings. Students must post responses directly to the discussion board by due date/time for credit. No credit will be given for responses submitted via e-mail or posted incorrectly. (PLO’s addressed: 1, 2, 5; SLO’s addressed: 1, 2, 3, 4, 5, 6, 7).

Class Assignments = 40 Points. Class assignments related to course content will be submitted to the Dropbox as Word documents (.doc or .docx files) or PDF files by the due date/time. No credit will be given for assignments submitted via e-mail or posted incorrectly. (PLO’s addressed: 1, 2, 5; SLO’s addressed: 1, 2, 3, 4, 5).

PowerPoint Assignment = 100 Points. Students will research a topic related to course content and create a PowerPoint presentation slideshow. Information must be current, within the last 5 years (2015-2021). Please refer to the PowerPoint Assignment instructions form and grading scale rubric for the major criteria/content areas that must be addressed in the presentation. (PLO’s addressed: 1, 2, 5, 6; SLO’s addressed: 1, 2, 3, 4, 5, 6, 7).

VI. Tentative Course Outline/Calendar:
Dates may change at the discretion of the instructor. Should a date change be required, it will be announced on the course homepage.

VIII. Course Evaluations:
Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes such as course and program improvement, planning, and accreditation, and instruction evaluation purposes. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical! In the College of Education, the course evaluation process has been simplified and is completed electronically through mySFA.

Although the instructor will be able to view the names of students who complete the survey all ratings and comments are confidential and anonymous and will not be available to the instructor until after final grades are posted.

IX. Student Ethics and Other Policy Information: These policies may be found at www.sfasu.edu/policies

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.
Student Academic Dishonesty: Policy 4.1

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty

Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

If a student has been found guilty of academic dishonesty, a grade of “WP” or “WH” may be changed to “WF” at the discretion of the faculty member. In the case of a grade change to “WF”,
the course will not count towards the six course drop limit since the student is incurring an academic penalty.

**Student Code of Conduct: Policy 10.4**
Disruptive Behavior--Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

SFASU values students’ mental health and the role it plays in academic and overall student success. SFA provides a variety of resources to support students mental health and wellness. Many of these resources are free, and all of them are confidential.

Code of Ethics for the Texas Educator:

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling
responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense. A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification. You are eligible to request a Preliminary Criminal History Evaluation if:

   • You enrolled or planning to enroll in an educator preparation program or
   • You are planning to take a certification exam for initial educator certification, and
   • You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at
http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete a state mandated fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information, contact the Office of Assessment and Accountability at 936-468-1282 or edprep@sfasu.edu.

X. Other Relevant Course Information:

Class attendance and participation are crucial. Students are responsible for checking the course homepage on a regular basis; recommendation is at least once a day to stay current with all class work and information. All coursework must be completed and submitted by the due date/time for credit. Missed assignments cannot be made up and no extra credit assignments will be given at the end of the semester after the final exam date.

For careers working with children and families, you are almost always required to pass a criminal background check in order to be employed. In our degree, you are required to participate in service learning and a practicum that will likely require you to pass a criminal background check. It is the student’s responsibility to pass any required background checks. If you cannot pass a background check for a school related activity that is required for the course, you will not receive any credit for that assignment. In the case of a practicum, you will not be able to pass the course without securing a practicum related to the field of human development and family studies. If you cannot pass a criminal background check (and don’t anticipate your record to be cleared/expunged in the foreseeable future), you should seriously consider if enrollment in this degree program will lead to your career goals.
