It is highly recommended that you still complete the assignment and read the required notes and articles to gain the knowledge needed, although a grade of zero could possibly still be entered. A separate course timeline is located at the end of this document.

**VI. Required Textbooks:**

As of now, this course is embedded with necessary textbook information.

**Live Text:**

As of now, this course does NOT have a LiveText assessment.

**VII. Course Evaluations:**

Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1) Course and program improvement, planning, and accreditation; 2) Instruction evaluation purposes; and 3) Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. **Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.**

**VIII: Student Ethics and Other Policy Information:**

**Attendance Policy 6.7:**

RDG 3310, EB Gound

7
Due to the nature of the class, participation is critical. Being an active face-to-face and/or online participant means regularly referring to DUE dates and abiding by the timeline set forth. E-mail and announcements should be checked on a regular basis as well as reading and responding to colleagues’ discussion board postings.

Regular class attendance and participation is required of all students. Students must be attending and participating in all courses to qualify for financial aid. Students reported for non-attendance or non-participation in their courses could have their financial aid withdrawn. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences.

Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. It is your responsibility to make arrangements with your professor to establish dates for when make-up is due. Excused absences include illness with a doctor’s note and/or death of an immediate family (father, mother, sibling, grandparent) with funeral documentation. It will be your responsibility to inform the SFA Student Services of your absence and upload absence documentation in the D2L Dropbox – Absence Verification folder.

**Class Attendance and Excused Absence: Policy 6.7**

1. **Personal Days** - You are expected to attend all classes, arrive on time, and actively participate in class. If you know you are going to be out, please let me know. This is a professional courtesy that must become part of your routine. You may notify me by phone or email or advise me during class time. Work due on the day you are absent must still be submitted **ON THAT DAY**, by a classmate or electronically. If you submit it electronically, a paper copy must be submitted on the day of your return. If you miss more than 2 unexcused absences, that will result in a drop in letter grade. If you are tardy or leave class early more than twice, that will result in an absence.

2. **Excused Absences** - You also have officially excused SFASU days available to you that are covered under SFASU policy. University policy lists the following reasons for excusing a student: Health-related issues, family emergencies, and student participation in university-related activities. Sick days and university-related activities require appropriate documentation so that any missed work may be completed.

3. **Unexcused Absences** - Absences other than those listed above will be considered unexcused, after **2 unexcused absences, this will result in a drop in letter grade for the semester**. For example: A student that earns an A and has 3 unexcused absences will receive a B for the semester; a student that earns an A and has 3 unexcused absences will receive a C for the semester, etc. Vacations, work camps, or any absences not related to SFA activities are considered unexcused.

4. **Late to Class/Leaving Early** – Two tardies or two leaving early results in one absence. You need to be in class the full 1 hour and 15 minutes to participate in all of the activities we create and work on, being late or leaving early will result in confusion and misplaced dates for assignments.

5. **Sleeping** in class is not an acceptable behavior and will be evaluated as an absence. As a professional teacher, you will be responsible for other peoples’ children – choose to be responsible and/or motivated enough to partake of every learning opportunity in your pre-service training.

6. **Teacher-Student Emails** - Emails from students will receive a response within 48 hours between Monday – Friday, 9-5. Weekend responses will be limited.
7. **Online**
Participation is expected within this course beginning on the first day of the semester and continuing through the end of final exams week. Attendance for this online course includes logging on to the D2L course several (3+) times per week and visiting course content.
Participation involves logging in to the course several times per week, completing and submitting all course work (including Bell Ringers, Discussions, Quizzes, and Dropbox assignments), and reading course-related emails and announcements.
Please be aware that SFA policy requires attendance/participation reporting; teacher candidates who do not attend and/or do not demonstrate course participation within a given course will be dropped from financial aid for that course. Please refer to the missing work policy within the syllabus for additional information regarding course participation and final course grade. I will check in D2L.

**Students with Disabilities:**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Academic Integrity Policy 4.1:**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to: 1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; 2) the falsification or invention of any information, including citations, on an assigned exercise; and/or 3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are: 1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; 2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and 3) incorporating the words or ideas of an author into one's paper without giving the author due credit. Please read the complete policy [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp).

**Penalties for Academic Dishonesty**
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades Policy 5.5:**
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct Policy 10.4:**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at [https://www.sfasu.edu/judicial/earlyalert.asp](https://www.sfasu.edu/judicial/earlyalert.asp) or call the office at 936-468-2703.

**IX. Additional Information:**

**Texas Certification/Licensing:**

To complete Certification/Licensing Requirements in Texas related to public education, you will be required to:

1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public-school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check; the completed information form is due (date will be given in relevant courses). If you have a history of criminal activity, you may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams
YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
