School of Human Sciences
Private Pilot Ground 1, AVSC 1200
Fall 2023

Instructor: Allen Wilson
Office: Ed Annex rm 133
Office Hours: MWF 1000-1100; TR 1:30-2:30
Credits: 2

Course Time & Location: T/Th 1100-1150
Office Phone: 936-468-1082
Email: allen.wilson@sfasu.edu
Prerequisites: None
Co-Requisite: AVSC-1100*

I. Course Description:
Private Pilot Ground I is part one of two parts covering those Federal Aviation Administration requirements for the aeronautical knowledge outlined in 14CFR §61, 14CFR §141 and FAA Airman Certification Standards. Private Pilot Ground I will develop the student’s knowledge on Federal Aviation Regulations, Airplanes and Aerodynamics, Airplane Instruments, Engines, Systems, Airplane Performance, and Weight and Balance calculations. This course will also introduce the new student pilot to Airports, Air Traffic Control and the National Airspace System. The knowledge and skills acquired in Private Pilot Ground I will develop the student’s ability to safely perform the Private Pilot Initial Solo. This course is a perquisite for Private Pilot Ground 2.

This course may include instructional time that is delivered asynchronously. Examples of asynchronous instruction may include (but are not limited to): written content, video content, discussions, case studies, synthesis exercises, reflection activities, peer review, and skills practice.

Course Credit Justification: AVSC 1200 “Private Pilot Ground 1” (2 credits). The class meets twice a week (60 minutes) for 15 weeks and also meets for a 2-hour final exam. Students have weekly reading assignments, weekly calculations and problem sets. These requirements take at least 4 hours of out-of-class student work each week to complete.

II. Intended Learning Outcomes/Goals/Objectives (Program/Student Learning Outcomes):
The mission of the College of Education is to prepare competent, successful, caring, and enthusiastic professionals dedicated to responsible service, leadership, social justice and continued professional and intellectual development in an interconnected global society.

In the College of Education at Stephen F. Austin State University, we value and are committed to:
1. Academic excellence through critical, reflective and creative thinking
2. Life-long learning
3. Collaboration and shared decision making
4. Openness to new ideas, culturally diverse people and innovation and change
5. Integrity, responsibility, diligence, and ethical behavior, and
6. Service that enriches the community

This course relates to the College of Education’s Conceptual Framework (CF) and/or Vision, Mission, Goals, and Core Values (VMGV).

Program Learning Outcomes:
1. Complete Certificates and Ratings for a career as a professional pilot in the Aviation Industry
2. Meet eligibility requirements outlined in the Federal Aviation Regulations: 14CFR §61, 14CFR §141 and FAA Airman Certification Standards

Student Learning Outcomes:
Upon successful completion of this course, the student will:
1. Demonstrate familiarity with the Federal Aviation Regulations as they pertain to the Private Pilot.
2. Describe the components of an airplane and methods of construction.
3. Comprehend basic lift theory and forces in flight, axes of rotation, flight controls, turning tendencies, aircraft stability and dynamics, loads and load factors, and ground effect.
4. Comprehend angle of attack, critical angle of attack, stalls, and spins.
5. Describe theory of operation for cockpit instrumentation and aircraft systems.
6. Comprehend aircraft engines and engine systems.
7. Demonstrate familiarity with airports, runways, air traffic control, wind indicators, airspaces, weather reporting systems, and ELTs.
8. Describe emergencies, radio failure procedures, wake turbulence and avoidance, and collision avoidance.
9. Demonstrate radio communications a pilot/controller phraseology.
10. Demonstrate airplane performance calculations and determine weight and balance requirements for safe flight by use of various aircraft charts and tables.
11. Complete the FAA required Pre-Solo Written Exam in accordance with 14CFR §61.87(b)(1)(i)-(iii) and §61.87(b)(2)(i)-(ii).

III. Course Assignments, Activities, Instructional Strategies, Use of Technology:

1. **Exams:** There will be 3 Unit exams during the semester. Questions may include T/F, Matching and Multiple Choice.
2. **Pre-Solo Written Exam:** 100 pts
3. **Attendance:** Students are expected to attend class regularly. Greater than 3 unexcused absences will result in a failing grade. Federal Guidance is used for minimum contact hours for each Airman Certificate or Rating course. These minimum contact hours cannot be achieved if more than 3 scheduled class sessions have been recorded as absent. Absences determined to be **Excused** by the course Instructor may be ‘made-up’ in a manner determined by the Instructor.

IV. Evaluation & Assessments (Grading):
The course is graded on a letter grade basis (A-F). Final grade will be determined by a percentage of total grades.

- A = 90% - 100%
- B = 80% - 89%
- C = 70% - 79%
- D = 60% - 69%
- F = 0% - 59%

If at any time a minimum of 70% course calculated grade is not maintained notification will be sent to the Chief Flight Instructor and student will be placed in “Academic No-Fly” status.

VI. **Course Textbooks (Purchase required):**

- Federal Aviation Regulations/Aeronautical Information Manual (FAR/AIM)
- Pilots Handbook of Aeronautical Knowledge (PHAK) – FAA-H-8083-25B
- Airplane Flying Handbook (AFH) - FAA-H-8083-3
- Private Pilot - Airplane Airman Certification Standards (ACS) – FAA-S-ACS-6B
- FAA NACO Aviation Chart – Houston VFR Sectional Chart
- FAA NACO Chart Supplement – South Central USA Chart Supplement
- Pilot’s Operating Handbook (POH) – Make/Model
- Suitable General Aviation Communications Headset (Flight Lab students only)

*Note: Text requirements may be in either published/printed or downloaded digital format but must be current as of the first day of the enrolled course. Text materials that expire or become obsolete during the period of the course may be used through completion. Every attempt to advise students of significant changes will be made by the course Instructor.*

VII. **Course Evaluations:**

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VII. **Academic Integrity (4.1)**

The Code of Student Conduct and Academic Integrity outlines the prohibited conduct by any student enrolled in a course at SFA. It is the responsibility of all members of all faculty, staff, and students to adhere to and uphold this policy.

Articles IV, VI, and VII of the new Code of Student Conduct and Academic Integrity outline the violations and procedures concerning academic conduct, including cheating, plagiarism, collusion, and misrepresentation. Cheating includes, but is not limited to: (1) Copying from the test paper (or other assignment) of another student, (2) Possession and/or use during a test of materials that are not authorized by the person giving the test, (3) Using, obtaining, or attempting to obtain by any means the whole or any part of a non-administered test, test key, homework solution, or computer program, or using a test that has been administered in prior classes or semesters without permission of the Faculty member, (4) Substituting for another person, or permitting another person to substitute for one’s self, to take a test, (5) Falsifying research data, laboratory reports, and/or other records or academic work offered for credit, (6) Using any sort of unauthorized resources or technology in completion of educational activities.
Plagiarism is the appropriation of material that is attributable in whole or in part to another source or the use of one’s own previous work in another context without citing that it was used previously, without any indication of the original source, including words, ideas, illustrations, structure, computer code, and other expression or media, and presenting that material as one’s own academic work being offered for credit or in conjunction with a program course or degree requirements.

Collusion is the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any provision of the rules on academic dishonesty, including disclosing and/or distributing the contents of an exam.

Misrepresentation is providing false grades or résumés; providing false or misleading information in an effort to receive a postponement or an extension on a test, quiz, or other assignment for the purpose of obtaining an academic or financial benefit for oneself or another individual or to injure another student academically or financially.

Withheld Grades Semester Grades Policy (5.5)

Please copy and paste the following information regarding Withheld Grades into your syllabus. Add additional information as needed to meet your departmental or course needs.

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the coursework because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course to compute the grade point average. For additional information, go to https://www.sfasu.edu/policies/course-grades-5.5.pdf.

Students with Disabilities

To obtain disability-related accommodations, alternate formats, and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services promptly may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Student Wellness and Well-Being

SFA values students’ overall well-being, mental health and the role it plays in academic and overall student success. Students may experience stressors that can impact both their academic experience and their personal well-being. These may include academic pressure and challenges associated with relationships, emotional well-being, alcohol and other drugs, identities, finances, etc.

If you are experiencing concerns, seeking help, SFA provides a variety of resources to support students’ mental health and wellness. Many of these resources are free, and all of them are confidential.

On-campus Resources:
**The Dean of Students Office** (Rusk Building, 3rd floor lobby) [www.sfasu.edu/deanofstudents](http://www.sfasu.edu/deanofstudents)  
936.468.7249 [dos@sfasu.edu](mailto:dos@sfasu.edu)

**Crisis Resources:**
- Burke 24-hour crisis line: 1.800.392.8343
- National Suicide Crisis Prevention: 9-8-8
- Suicide Prevention Lifeline: 1.800.273.TALK (8255)
- johCrisis Text Line: Text HELLO to 741-741

**Proof of Citizenship**
Students enrolled in Flight Labs or Ground Courses associated with the pursuit of an Airman Certificate or Rating must provide proof of US Citizenship under Federal Law.  
Valid Government Issued Photo ID or US Passport  
US Born Birth Certificate or US Passport  
Naturalization Certificate or US Passport
