EDLE 5316: SECTION 501  
The Principalship  
Course Syllabus  
Fall 1, 2023

Instructor: Richard Skuza, Ed.D.  
Office: HS 309  
Office Phone:  
Other Contact Information: 214.402.8954  
Course Time & Location: Online  
Office Hours: T – 10:00 a.m. - 12:00 p.m.  
Credits: 3  
Email: richard.skuza@sfasu.edu

When communicating by e-mail, please use the e-mail within D2L. In most cases, you can expect a response within 48 hours. You can also communicate by phone/text and in most cases, you can expect a response within 24 hours. If you choose to communicate by text, please identify yourself and provide your section number.

Prerequisites: Admission into the Principal Preparation Program

I. Course Description:

This course will cover knowledge and skills required to pass the TExES Principal Examination. The course will also cover a common core of knowledge, dispositions, and performances that will help link leadership more forcefully to productive schools and enhanced student outcomes. Practicum experiences will also be a component of this course. School leaders need a basic foundation in the roles, duties, and responsibilities of the principal in the areas of vision and mission development, culture and climate, and professional ethics. Other functions of the principalship including, but not limited to, scheduling, discipline, and communication with stakeholders will be addressed.

Course Modality:

This is an online class. All content is delivered through Brightspace D2L (Desire2Learn).

Time Requirements:

EDLE 5316 (The Principalship - 3 credits; fully online) spans half a semester or the Summer session equivalent. The course contains extensive written content that includes the same information students
in a face-to-face lecture course receive, requiring students to engage the online modules for at least **six hours per week**. Readings and videos are woven into the content to support key concepts. In addition, students are required to read assigned chapters in course textbooks, complete quizzes over the course content, and complete multiple assignments that evaluate their growing knowledge of the principalship. *For every hour a student spends engaging with the content, he/she spends at least two hours completing associated activities and assessments. There are 20 hours of on-site applied practicum activities.*

**Practicum (20 hours):**

A minimum of 20 hours of practicum experiences is required for this class. A crucial part of the practicum experience is to be engaged in as many relevant and meaningful campus activities as possible. Each experience should reflect an area related to the ELCC Standards and Texas Principal Standards. No more than 3 hours may be spent on any one activity. The activities you will complete are prescribed within the course. **Failure to complete the practicum hours, document site supervisor approval, and upload required documents to Qclassroom will result in a final grade of F for the course.**

**Diversity Statement of the James I Perkins College of Education:**

The James I. Perkins College of Education is committed to proactively recruiting and retaining a diverse faculty, staff, and student population. Through open dialogue, mutual respect, and shared responsibility, faculty, staff and students will demonstrate an understanding and sensitivity to ethnicity, race, gender, exceptionalities, culture, language/dialect, age, social class, family structure, sexual orientation, religion, and spiritual values in order to enhance the quality of life in a diverse, global community.

**II. Intended Learning Outcomes/Goals/Objectives (Program/Student Learning Outcomes):**

Educational leaders must have a basic understanding of organization and administrative theory. They must be able to synthesize this knowledge within the context of leadership, ethics, and change. This framework of theoretical knowledge when integrated with real world experiences and practices will inform their actions in a positive manner. Course goals are drawn from the Educational Leadership Constituent Consortium (ELCC) standards adopted by the Council for Accreditation of Educator Preparation (CAEP) and the Texas State Board for Educator Certification standards for the principalship.

**Program Learning Outcomes**

1. The student will apply skills, content knowledge, and knowledge of necessary dispositions regarding the role of an effective school leader.
2. The student will demonstrate an understanding of basic principles and foundations of school leadership.
3. The student will demonstrate instructional leadership skills in working with faculty on issues of instruction, curriculum, culture, and professional development.
4. The student will demonstrate and apply leadership skills through school-level practicum experiences.
5. The student will demonstrate building level leadership skills in supporting P-12 student learning within a school.
6. The student will exhibit school leadership skills in organizational management and community relations developing effective school-based management and resource systems and school-community partnerships

**Student Learning Outcomes**

1. Students will be able to identify and influence the factors and practices that contribute to positive school culture.
2. Students will be able to describe the duties of a principal, including budgeting, scheduling, and instructional leadership.
3. Students will be able to effect change in schools by understanding the stakeholders in the schools and the outside forces that influence schools.
4. Students will be able to articulate their own positions and priorities, including an analysis of strengths and areas of improvement, as future leaders.

**ELCC Standards that guide this course and all courses taught include:**

**Standard 1.0**: A building-level education leader applies knowledge that promotes the success of every student by collaboratively facilitating the development, articulation, implementation, and stewardship of a shared school vision of learning through the collection and use of data to identify school goals, assess organizational effectiveness, and implement school plans to achieve school goals; promotion of continual and sustainable school improvement; and evaluation of school progress and revision of school plans supported by school-based stakeholders.

**Standard 2.0**: A building-level education leader applies knowledge that promotes the success of every student by sustaining a school culture and instructional program conducive to student learning through collaboration, trust, and a personalized learning environment with high expectations for students; creating and evaluating a comprehensive, rigorous and coherent curricular and instructional school program; developing and supervising the instructional and leadership capacity of school staff; and promoting the most effective and appropriate technologies to support teaching and learning within a school environment.

**Standard 3.0**: A building-level education leader applies knowledge that promotes the success of every student by ensuring the management of the school organization, operation, and resources through monitoring and evaluating the school management and operational systems; efficiently using human, fiscal, and technological resources in a school environment; promoting and protecting the welfare and safety of school students and staff; developing school capacity for distributed leadership; and ensuring that teacher and organizational time is focused to support high-quality instruction and student learning.

**Standard 4.0**: A building-level education leader applies knowledge that promotes the success of every student by collaborating with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources on behalf of the school by collecting and analyzing information pertinent to improvement of the school's educational environment; promoting an understanding, appreciation, and use of the diverse cultural, social, and intellectual resources within the
school community; building and sustaining positive school relationships with families and caregivers; and cultivating productive school relationships with community partners.

**Standard 5.0:** A building-level education leader applies knowledge that promotes the success of every student by acting with integrity, fairness, and in an ethical manner to ensure a school system of accountability for every student’s academic and social success by modeling school principles of self-awareness, reflective practice, transparency, and ethical behavior as related to their roles within the school; safeguarding the values of democracy, equity, and diversity within the school; evaluating the potential moral and legal consequences of decision making in the school; and promoting social justice within the school to ensure that individual student needs inform all aspects of schooling.

**Standard 6.0:** A building-level education leader applies knowledge that promotes the success of every student by understanding, responding to, and influencing the larger political, social, economic, legal, and cultural context through advocating for school students, families, and caregivers; acting to influence local, district, state, and national decisions affecting student learning in a school environment; and anticipating and assessing emerging trends and initiatives in order to adapt school-based leadership strategies.

**Standard 7.0:** A building-level education leader applies knowledge that promotes the success of every student through a substantial and sustained educational leadership internship experience that has school-based field experiences and clinical internship practice within a school setting and is monitored by a qualified, on-site mentor.

**Texas Principal Standards: Texas Education Code, §21.3541**

1. **Standard 1—Instructional Leadership.** The principal is responsible for ensuring every student receives high-quality instruction.
2. **Standard 2—Human Capital.** The principal is responsible for ensuring there are high-quality teachers and staff in every classroom and throughout the school.
3. **Standard 3—Executive Leadership.** The principal is responsible for modeling a consistent focus on and commitment to improving student learning.
4. **Standard 4—School Culture.** The principal is responsible for establishing and implementing a shared vision and culture of high expectations for all staff and students.
5. **Standard 5—Strategic Operations.** The principal is responsible for implementing systems that align with the school's vision and improve the quality of instruction.
6. **Standard 6—Ethics, Equite and Diversity.** The entry-level principal knows how to provide ethical leadership by advocating for children and ensuring student access to effective educators, programs, and services.

**III. Evaluation and Assessments (Grading):**

- **A** = 90+% of available points
- **B** = 80+% of available points
- **C** = 70+% of available points
- **D** = 60+% of available points
F = less than 60% of available points

**Important notes about grades:**

- All assignments must be completed in order to receive an A in the course.
- Assignments not completed by the due date may only receive up to 80% of the total grade. For example, if you make a 100 on a late assignment, then you will receive an 80. Had you made a 90, then you will receive a 72.
- Unless prior arrangements are made, late work will be accepted only within 2 days of the due date.
- Resubmissions are graded as if they were late work. For example, if you make a 100 on a late assignment, then you will receive an 80. Had you made a 90, then you will receive a 72.
- Failure to complete, document, and obtain site supervisor approval of the required 20 Practicum hours, including uploading the required forms to Qclassroom, will result in a final grade of “F.”
- Failure to complete Pillar assignments will result in a final grade of “F.”
- Failure to complete all Qclassroom submissions will result in a final grade of “F.”

**IV. Required Readings**

**V. Qclassroom**

**QClassroom Statement:** This course uses the QClassroom data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Support emails will come from qclassroom@sfasu.edu.

VII. Course Evaluations:

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses (the teaching itself and the content/assignments) taken within the PCOE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty (full-time and part-time) annual evaluation processes, tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!”

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and summarized data will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for
notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Academic Integrity – Policy 4.1**

The Code of Student Conduct and Academic Integrity ([https://www.sfasu.edu/docs/policies/10.4.pdf](https://www.sfasu.edu/docs/policies/10.4.pdf)) outlines the prohibited conduct by any student enrolled in a course at SFA. It is the responsibility of all members of all faculty, staff, and students to adhere to and uphold this policy. Articles IV, VI, and VII of the new Code of Student Conduct and Academic Integrity outline the violations and procedures concerning academic conduct, including cheating, plagiarism, collusion, and misrepresentation. Cheating includes, but is not limited to: (1) Copying from the test paper (or other assignment) of another student, (2) Possession and/or use during a test of materials that are not authorized by the person giving the test, (3) Using, obtaining, or attempting to obtain by any means the whole or any part of a non-administered test, test key, homework solution, or computer program, or using a test that has been administered in prior classes or semesters without permission of the Faculty member, (4) Substituting for another person, or permitting another person to substitute for one’s self, to take a test, (5) Falsifying research data, laboratory reports, and/or other records or academic work offered for credit, (6) Using any sort of unauthorized resources or technology in completion of educational activities. Plagiarism is the appropriation of material that is attributable in whole or in part to another source or the use of one’s own previous work in another context without citing that it was used previously, without any indication of the original source, including words, ideas, illustrations, structure, computer code, and other expression or media, and presenting that material as one’s own academic work being offered for credit or in conjunction with a program course or degree requirements. Collusion is the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any provision of the rules on academic dishonesty, including disclosing and/or distributing the contents of an exam. Misrepresentation is providing false grades or résumés; providing false or misleading information in an effort to receive a postponement or an extension on a test, quiz, or other assignment for the purpose of obtaining an academic or financial benefit for oneself or another individual or to injure another student academically or financially.

**Penalties for Academic Dishonesty**

Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.
**Student Appeals**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**

Ordinarily, at the discretion of the instructor of record with the approval of the academic unit head, a grade of WH may be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

If a student has been found guilty of academic dishonesty, a grade of “WP” or “WH” may be changed to “WF” at the discretion of the faculty member. In the case of a grade change to “WF”, the course will not count towards the six course drop limit since the student is incurring an academic penalty.

**Student Mental Health and Wellness**

SFASU values students’ mental health and the role it plays in academic and overall student success. SFA provides a variety of resources to support students mental health and wellness. Many of these resources are free, and all of them are confidential.

On-campus Resources:
SFASU Counseling Services
www.sfasu.edu/counselingservices
Health and Wellness Hub (corner of E. College and Raguet)
936-468-2401

SFASU Human Services Counseling Clinic

Human Services Room 202
936-468-1041

Crisis Resources:
Burke 24-hour crisis line 1(800) 392-8343
Suicide Prevention Lifeline 1(800) 273-TALK (8255)
Crisis Text Line: Text HELLO to 741-741

**Code of Ethics for the Texas Educator:**

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and
obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

Please go to TAC 247.2 – Code of Ethics and Standard Practices for Texas Educators.

**IX. Certification/Licensing Requirements**

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.
2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information, contact the Office of Assessment and Accountability at 936-468-1282 or edprep@sfasu.edu.
