4. **Academic Integrity:** Abiding by university policy on academic integrity is a responsibility of all university faculty and students. **Definition of Academic Dishonesty** Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to (1) using or attempting to use unauthorized materials on any assignment or exam; (2) falsifying or inventing of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but
are not limited to (1) submitting an assignment as if it were one's own work when it is at least partly the work of another person; (2) submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or (3) incorporating the words or ideas of an author into one's paper without giving the author credit. Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university. In-classroom and online activities are expected to follow university guidelines concerning student conduct and academic honesty. The exams in this class are tests of what you know, not what you can look up. Students are expected to not use any materials or online resources while taking the exams in this class. Possession or use of a test bank or an instructor’s manual or the attempt to possess any of these materials will be considered a violation of academic honesty. Students may not take pictures of, screenshot, or record in any way test questions or exams, with the one exception of taking a picture or screenshot of any error messages that occur for technical support. Please read the complete policy http://www.sfasu.edu/policies (Definition of Academic Dishonesty, University Policy 4.1).

Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

6. **Withheld Grades (Semester Grades Policy 5.5):** At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy related to active military service. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average. Please refer to the complete policy at http://www.sfasu.edu/policies.
