- The objective of all the SFA Choral Ensembles is to provide a worthwhile and meaningful choral experience for all singers. Every effort will be made by the conductor to offer quality art music allowing for the musical, vocal, and education development of each singer. Students will demonstrate comprehensive capabilities in rehearsing and preparing a high level performance in ensembles.

**GRADING**
Like most musical ensembles and applied lessons, grading is subjective on Participation and regular attendance at concerts is mandatory.

**ATTENDANCE**
Your class meets twice (Kantorei) or three times (Axes) per week. You will receive THREE free absences for the semester. A fourth absence will drop you to a C, a fifth to a D, and 6 or more an F.

**Missing a dress rehearsal for anything short of a dire illness and family tragedy will result in being refused the privilege of performing in our concert, and thus, receiving a failing grade for the semester.**

**EMAIL** - information is oftentimes sent by email. Please check your email daily and if the address should change, please notify me. If you use an account other than your “jacks” account, please inform me of your preferred email address.

**UNIFORMS**
Concert Black - Kantorei - It can be whatever you are comfortable wearing (concert dress, not leggings). Singin’ Axes - Black shoes, socks, slacks, button-down dress shirt.

**MASKS** - up to the individual (but be considerate).

**MUSIC**
Most of the music is supplied for you. A WH will be recorded until all music and folder are turned in at the end of the semester

**REHEARSALS**
We begin promptly at the designated time. If an illness or emergency keeps you from attending, please notify your SECTION LEADER ahead of time.

**NUMBER THE MEASURES IN YOUR MUSIC**
• **SECTION REHEARSALS**
  Sectional rehearsals are our best “note-chasing” opportunities. Work hard and cooperate with your section leader. Section leaders also have the authority to call for sectionals outside of class time as they see fit. Promptness and attendance are mandatory for these rehearsals. Graduate students will be responsible for running these sectionals.

• **DATES**
  DO NOT, UNDER ANY CIRCUMSTANCES, PLAN ANYTHING THE NIGHT BEFORE A SCHEDULED CONCERT. There will always be a dress rehearsal.

  Program Learning Outcomes: Students will develop and demonstrate comprehensive abilities in rehearsing and preparing high-level performance in ensembles.

Course Learning Outcomes:
  1. Students will understand aspects of ensemble singing
  2. Have a broader knowledge of various styles
  3. Enhance their musicianship through the improvement of the singing and reading of intervals and rhythms

Cheating includes, but is not limited to: (1) Copying from the test paper (or other assignment) of another student, (2) Possession and/or use during a test of materials that are not authorized by the person giving the test, (3) Using, obtaining, or attempting to obtain by any means the whole or any part of a non-administered test, test key, homework solution, or computer program, or using a test that has been administered in prior classes or semesters without permission of the Faculty member, (4) Substituting for another person, or permitting another person to substitute for one’s self, to take a test, (5) Falsifying research data, laboratory reports, and/or other records or academic work offered for credit, (6) Using any sort of unauthorized resources or technology in completion of educational activities.

Withheld Grades Semester Grades Policy (5.5)

Please copy and paste the following information regarding Withheld Grades into your syllabus. Add additional information as needed to meet your departmental or course needs.

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the coursework because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course to compute the grade point average. For additional information, go to https://www.sfasu.edu/policies/course-grades-5.5.pdf.

Students with Disabilities
Please copy and paste the following statement and place it in your course syllabus.

To obtain disability-related accommodations, alternate formats, and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester.
