I. Course Description & Justification

Description: Jazz I is a physical class in which the student will learn the basic fundamentals of jazz dance technique. This course is geared toward dancers with little to no knowledge of jazz dance technique.

Justification: Jazz I (2 credits) is a dance technique course that meets between 150-270 minutes per week for 15 weeks. Course assessments are movement combinations to be practiced, memorized, and performed during summative assessment periods. Students are expected to practice combinations between class sessions. Readings, Vocabulary & terminology, and critical analysis papers also require additional study of the required and recommended texts. Students are also tested on the material given in class, and throughout the texts. This equates to 2 hours per week outside of class per credit hour.

For additional information on meaningful and measurable learning outcomes, see the assessment resource page [http://www.sfasu.edu/assessment/index.asp](http://www.sfasu.edu/assessment/index.asp).

III. Course Content

The student will develop and expand the technical skills needed for jazz dance. Class will consist of warm-up activities, floor work, standing center exercises, moving across the floor, and many longer dance combinations. In particular, students will work on developing strength in adagio and extensions, explore subtlety and nuance in dance, study line, and syncopation, learn how to respond qualitatively to movement, strengthen turns and jumps, and explore percussive versus soft movement. Throughout the semester students will learn the intermediate fundamentals of jazz dance and explore different styles of jazz.
Injury/Accident Statement:

This course contains physical activity which may consist of but not limited to running, jumping, lifting, throwing, leaping, striking, etc. Participation in these activities comes with inherent risks of injury. Possible injuries include, but are not limited to heat stroke, strains, sprains, scrapes, bruises, and fractures. By registering and participating in this course, students are aware of the possible injuries that may occur and acknowledge that they participate at their own risk. The university is not responsible for any medical costs associated with any injury students may sustain; therefore, students are strongly recommended to procure personal health and accident insurance to cover any medical costs. Students are encouraged to notify the instructor of any relevant prior medical history regarding injuries, surgeries, medications, or other considerations which may affect or impair participation in this course. If necessary, students will provide, upon request, a physician’s statement clearing them to participate in this course.

Procedures to be Followed for Injury or Accident of an SFA Student:

1. Administer appropriate first aid.

2. For a major medical emergency, a phone call should be placed to the University Police Department (UPD) (911). UPD will report to the scene of a medical emergency, assist with first aid, and contact an ambulance service.

3. Students may choose to report directly to the Student Health Services for minor first aid needs or routine medical services.

4. If assistance is needed in transporting the injured student, call the UPD nonemergency phone number at 936-468-2608.

5. The instructor should complete an accident report which can be obtained from the department office.

IV. Evaluation and Assessments (Grading):

Participation: Active and committed participation throughout each class is expected. Students are expected to practice exercises between class sessions. This equates to 2 hours per week outside of class per credit hour. Each student’s active participation, including both effort and improvement, will be assessed based on their individual levels. Dancers with less experience will not be compared with those who have more experience. Dance is an art form that must be practiced daily for mastery. Students are expected to fully participate in each class. It is recommended that any student who is ill should attempt to attend class unless they are contagious or confined to a bed. Any student who opts to observe and not participate will receive partial credit for that class. Class observation gives students a good learning opportunity to listen to explanations and corrections the instructor has given out. Lack of participation for any sustained period of time due to illness, injury, or University sponsored events may result in needing to drop the course entirely. Daily participation means committing to the class and is worth a considerable amount of the student’s final grade. The student will not receive participation points if they are not in attendance.

Skills Tests | 20% | 79-70 = C
Midterm | 25% | 69-60 = D
Final | 25% | 59 or lower = F

Daily Participation Grading:

For each class, the student has the opportunity to earn a total of 10 points by being on time, wearing the proper attire, showing a positive attitude, and giving 100% effort. **Students will lose points for being late, leaving early, not wearing proper dance attire, slacking off, having a bad attitude, or being rude or disrespectful.** As stated before, a student who observes class will only earn partial points. Points cannot be earned if the student is not in attendance.

Skills Tests

Periodically throughout the semester, the student is required to perform skills tests. These tests consist of short combinations that the class has learned during the semester. Skills tests will be recorded, and the students will perform in small groups. The students will be graded on factors which include commitment/energy, alignment, precision, stability, mobility, musicality, memory, and coordination. **If a skills test is missed, the student CANNOT make it up, unless the absence was previously excused.**

Midterm and Final Exam

The midterm will be conducted in a way that resembles a skills test. The midterm exam will consist of dance technique/skills that the student has learned up to the mid-semester point. The final exam will be composed of all elements that have been learned during the semester and will be performed at the end of the semester (tentative) in an **Informal Concert, 4/24 at 4pm for a final grade. Please make arrangements with employers and instructors. These two exams will be electronically recorded and assessed. If the midterm or final is missed the student CANNOT make it up!**

Skills Tests/Exams will be done in BLACK LEOTARD AND BLACK LEGGINGS/TIGHTS. NO EXCEPTIONS. If you come to class in something other than the required attire, you will not be allowed to take the skills test/exam.

**NO make-up tests will be given unless previously excused.** Students will participate in self-evaluations following each Skills Test/Exam. Students will view the video of each specific Skills Test/Exam and reflect on their performance through written observation.

**Extra Credit:** Attend an approved dance concert and write a 400-word critique. Critiques are due one week after you see the performance. Be sure to include a picture of the program and/or ticket stub upon submission. A rubric will be provided as needed. **Critiques will be submitted in hardcopy format ONLY.** Applicable concerts for attendance include the **Danceworks Concert, 4/10-4/13** (if not choreographing/performing), or any PROFESSIONAL dance concert (must be approved by Jessica) held off-campus

Make-Up Policy:

Written assignments will be accepted late, however, 1 letter grade will be deducted for each day the assignment is late. If the student is in good standing with the course, the instructor may allow absences to be made up by other assignments, or attending another technique class of the same level or higher that
the student is NOT currently enrolled in with the instructor’s permission. Proof of the make-up class will be submitted within 2 days of taking the approved class.

**Attendance:**

Each absence, after 2, will drop the student’s final grade by 1 full letter grade, assuming each student begins the semester with an A. For example: 3 absences = B, 4 absences = C, 5 absences = D. Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class. An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University sponsored events. Points will be deducted for students who leave class prior to dismissal. If the student is tardy (more than 10 minutes late), they will be counted absent! For every 3 tardies, the student will receive 1 absence!

Attendance will be strictly enforced. It is the responsibility of the student to keep track of their number of absences.

Classroom Etiquette

1. BE ON TIME to class. It is considered disrespectful to walk into a dance class late. If the student is tardy, he/she should first ask the instructor for permission to join class. If the warm-up is missed, the student may stay and observe the rest of the class.
2. NO TEXTING & Silence all cell phones.
3. Always come prepared to work both mentally and physically.
4. Do not give corrections to other students unless they ask for your help or if you are asked to provide observations by the instructor.
5. Do not speak while instruction or correction by the instructor is occurring.
6. Be respectful of others. This is a place of learning. Once you step into the studio, you are all on the same level. Be positive with yourself and with others. This should be a safe place for you to grow as a dancer and to feel comfortable with yourself.

Dance Studio Rules

1. No street shoes. All street shoes must be removed before walking on the dance floor.
2. No gum chewing, eating, or drinking. Water with a secured lid is permitted. Please pick up after yourself and throw away any trash you might bring into the dance space.
3. No wet umbrellas, etc. Please shake off & store any wet items before entering the studio.
4. All cell phones must be silenced in the dance studio.
5. Apple watches will not be allowed to be worn during technique class.

VI. Recommended Reading:

Required Attire:

- Barefoot, jazz shoes (black or tan), dance paws, character shoes
- Leotard/form-fitting t-shirt
- Black jazz pants or leggings (with dance belt or athletic support as needed)

*No baggy clothing! Lines need to be seen, tight, form-fitting clothing is necessary!*

VII. Course Evaluations:

Near the conclusion of each semester, students will electronically evaluate courses taken within the MECFA, through MySFA. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes’ and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the MECFA faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

VIII. Student Ethics and Other Policy Information:

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12-day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for
excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilitieservices/](http://www.sfasu.edu/disabilitieservices/)

**Student Academic Dishonesty: Policy 4.1**

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:

- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were one's own. Examples of plagiarism include, but are not limited to:
  - submitting an assignment as one's own work when it is at least partly the work of another person or ChatGPT
  - submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
  - incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**

Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

If a student has been found guilty of academic dishonesty, a grade of “WP” or “WH” may be changed to “WF” at the discretion of the faculty member. In the case of a grade change to “WF”, the course will not count towards the six-course drop limit since the student is incurring an academic penalty.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense. A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification. You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
• You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
