I. Course Description:

Analysis, demonstration, and practice of intermediate technique of modern dance.

The techniques that will be introduced in this modern class are Bartenieff Fundamentals, Graham, Dunham, Limón, Humphrey, and Cunningham. This course is an intermediate course in which the students involved are dance majors and minors who have advanced movement skills.

Students should expect a response to emails and phone calls within 24-48 hours from their contact efforts. This is only available Monday through Friday.

Course Justification:

Modern II (2 credits) is a dance technique course that meets between 150-270 minutes per week for 15 weeks. Course assessments are movement combinations to be practiced, memorized, and performed during summative assessment periods. Students are expected to practice combinations between class sessions. Readings, Vocabulary & terminology, and critical analysis papers also require additional study of the required and recommended texts. Students are also tested on the material given in class, and throughout the texts. This equates to 2 hours per week outside of class per credit hour.

II. Intended Learning Outcomes/Goals/ Objectives:

These goals support and reflect the Dance Program in that they equip those candidates seeking “to achieve professional excellence” with the knowledge, skills, and
disposition that “prepare competent, successful, caring, and enthusiastic professionals dedicated to responsible service, leadership, and continued professional and intellectual development”. This course supports the Dance Program Mission Statement related to achieving a high level of creative potential.

2. Apply strategies linking biomechanics to modern dance practices such as the use of gravity, inversions, spirals, levels, and dynamic alignment while increasing strength, flexibility, coordination, and endurance (PLO 1,4).

3. Demonstrate an expanded understanding of vocabulary, of each technique, both kinesthetically and verbally.

4. Effectively apply artistic choices such as musicality, focus, and use of energy to performed movement (PLO 5).

For additional information on meaningful and measurable learning outcomes, see the assessment resource page [http://www.sfasu.edu/assessment/index.asp](http://www.sfasu.edu/assessment/index.asp).

**III. Course Assignments, Activities, Instructional Strategies, and use of Technology:**

The student will be required to participate in a complete warm up that adheres to each technique that will be taught for the duration of the semester. Upon learning the techniques of Graham, Limon, Humphrey, and Cunningham, the student will be asked to present learned material in the center of the floor and movement that locomotes across the floor. The student will be given activities that include partner work to better understand the dancer body, phrases of movement in which the student will learn modern movement through repetition, and activities that incorporate the knowledge of meter and time for musicality purposes. The student is not required, but encouraged, to use technology in the attempt to learn the four different modern techniques listed to better understand and appreciate modern dance as an art form. Some use of video may be presented in class to help the student better visualize the techniques being taught. The student will also be responsible to Attend/Participate in the Repertory Concert, February 14-17 AND Danceworks Concert, April 10-13. This is mandatory, not optional. Please make arrangements with employers, evening classes and University activities well in advance.

**Injury/Accident Statement:**

This course contains physical activity which may consist of but not limited to running, jumping, lifting, throwing, leaping, striking, etc. Participation in these activities comes with inherent risks of injury. Possible injuries include, but are not limited to heat stroke, strains, sprains, scrapes, bruises, and fractures. By registering and participating in this course, students are aware of the possible injuries that may occur and acknowledge that they participate at their own risk. The university is not responsible for any medical costs associated with any injury students may sustain; therefore, students are strongly recommended to procure personal health and accident insurance to cover any medical costs. Students are encouraged to notify the instructor of any relevant prior medical history regarding injuries, surgeries, medications, or other considerations which may affect or impair participation in this course. If necessary, students will provide, upon request, a physician’s statement clearing them to participate in this course.

**Procedures to be Followed for Injury or Accident of an SFA Student:**

1. Administer appropriate first aid.
2. For a major medical emergency, a phone call should be placed to the University Police Department (UPD) (911). UPD will report to the scene of a medical emergency, assist with first aid, and contact an ambulance service.
3. Students may choose to report directly to the Student Health Services for minor first aid needs or routine medical services.
4. If assistance is needed in transporting the injured student, call the UPD non-emergency phone number at 936-468-2608.
5. The instructor should complete an accident report which can be obtained from the department office.

IV. Evaluation and Assessments (Grading):

Participation:

Active and committed participation throughout each class is expected. Students are expected to practice combinations between class sessions. This equates to 2 hours per week outside of class per credit hour. Each student’s active participation, including both effort and improvement will be assessed based on their individual levels. Dancers with less experience will not be compared with those who have more experience.

Dance is an art form that must be practiced daily for mastery. Students are expected to fully participate in each class. It is recommended that any student who is ill should attempt to attend class unless they are contagious or confined to a bed. Any student who opts to observe and not participate will receive partial credit for that class. Class observation gives students a good learning opportunity to listen to explanations and corrections the instructor has given out. Lack of participation for any sustained period of time due to illness, injury, or University sponsored events (exceeding 3 weeks) may result in needing to drop the course entirely.

Daily participation means committing to the class and is worth a considerable amount of the student’s final grade. The student will not receive participation points if they are not in attendance.

Daily Participation Grading:

For each class, the student has the opportunity to earn a total of 10 points by being on time, wearing the proper attire, showing a positive attitude, and giving 100% effort. Students will lose points for being late, or leaving early, not wearing proper dance attire, slacking off, having a bad attitude, or being rude or disrespectful. As stated before, a student who observes class will only earn partial points. Points cannot be earned if the student is not in attendance.
Skills Tests:

Periodically throughout the semester, the student is required to perform skills tests. These tests usually consist of short combinations that the class has learned during the semester. Students will perform in small groups for their skills tests. These tests are electronically recorded and are available, to the student, for viewing upon a scheduled appointment. The students will be graded on factors, which include alignment, technique, stability, mobility, musicality, memory, coordination, and style. If a skills test is missed, the student **CANNOT** make it up, unless the absence was previously excused.

Midterm and Final Exam:

The midterm will be conducted in a way that resembles a skills test. The midterm exam will consist of materials and dance mechanics that the student has learned up to the mid semester point. **The final exam will be composed of all elements that have been learned during the semester and will be performed for a final grade.** These two exams will be electronically recorded and assessed. If the midterm or final is missed the student **CANNOT** make it up!

**Concert:** Attend an approved Dance Concert and write a 400-word critique. Critiques are due one week after you see the performance. Be sure to include a picture of the program and ticket stub within the file you submit on D2L. **Rubric will be given online. Critiques will be submitted through D2L in either Word or PDF format ONLY.**

Make-Up Policy:

In accordance with University attendance policies, you are allowed to make up no more than 15% of work missed during excused OR UNIVERSITY APPROVED absences. Unexcused absences do not apply.

Written assignments will be accepted late, however 1 letter grade will be deducted for each day the assignment is late. If the student is in good standing with the course, and **ONLY for excused or University sponsored events**, the instructor may allow absences to be made up by other assignments, or attending another technique class of the same level or higher that the student is NOT currently enrolled in with the instructor’s permission. **Proof of the make-up class will be submitted within 2 days of taking the approved class.**

Attendance:

Each absence, after 2, will drop the student’s final grade by 1 full letter grade, assuming each student begins the semester with an A. For example: 3 absences = B, 4 absences = C, 5 absences = D. **Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class.** An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already
returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University sponsored events. Points will be deducted for students who leave class prior to dismissal. If the student is tardy (10 minutes or more), they will be counted absent! **For every 3 tardies, the student will receive 1 absence!** **Attendance will be strictly enforced.** It is the responsibility of the student to keep track of their number of absences.

**VIII. Student Ethics and Other Policy Information:**

**Class Attendance and Excused Absence: Policy 6.7**

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. **Based on university policy, failure of students to adhere to these requirements shall influence the course grade.**
assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student's attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilitieservices/

Student Academic Dishonesty: Policy 4.1

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one’s paper or presentation without giving the author credit.
Penalties for Academic Dishonesty
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

If a student has been found guilty of academic dishonesty, a grade of “WP” or “WH” may be changed to “WF” at the discretion of the faculty member. In the case of a grade change to “WF”, the course will not count towards the six course drop limit since the student is incurring an academic penalty.

Student Code of Conduct: Policy 10.4
Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. Bystanders, if their presence incites or adds to the disruption, as well as more active participants in the disruptive activity, may be in violation of this policy as well. Engaging in physical violence of any nature against any person. This includes fighting; assaulting; battering; using a knife, gun, or other weapon; or acting in a manner that threatens or endangers the physical health or safety of any person or causes a reasonable apprehension of such harm.

The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

SFASU values students' mental health and the role it plays in academic and overall student success. SFA provides a variety of resources to support students mental health and wellness. Many of these resources are free, and all of them are confidential.

Code of Ethics for the Texas Educator:

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to
enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification. You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver's license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
