Students are required to research approved topics, utilize additional practice and rehearsal outside of class (2-4 hours per week) in assigned locations. Students must maintain attendance records for each dancer in their cast. Students must secure sponsors or donors, create lighting and technical elements for each piece, design and create publicity for the concert, produce the dates, show order, and lobby display for the final event. This equates to a minimum of 2 hours per week outside of class per credit hour of research and preparation. 150 minutes of Asynchronous minutes are applied to this course.

III. Course Assignments, Activities, Instructional Strategies, and use of Technology:

This course will require the student to research an evocative and conceptual topic as a means of inspiration for choreography. Topics should be provided to the instructor prior to the start of the semester. **Any research submitted must be in hard copy until instructed otherwise and should consist of website information, personal written interviews, statistics, video links of other choreography relating to one's topic, and any book/periodical/etc. from a library.** Submitted research should be in the form of a research paper, in MLA format with a minimum of 4 pages that includes in-text citations and a works cited page. This project is designed to provide the student with the opportunity to develop a substantial and original piece of choreography under the supervision and guidance of the dance faculty. The student is required to journal their choreographic process and will be given a series of projects throughout the choreographic process to better the development and generation of movement. The student’s work will be mentored in all stages of the choreographic and production process. The student will be required to have consistent, active participation in technique class as well as coordination of rehearsal. In addition, the student will be fully involved in the production of lighting, costuming, publicity, etc., for the Danceworks concert. The student is not required but encouraged to use technology as a means of reference for structure, design and inspiration towards dance choreography. Any dance that has been deliberately copied or plagiarized from a work found on the internet will result in an automatic failing grade and removal from the concert.

**STRIKE Attendance:**

Each absence, after 2, will drop the student’s final grade by 1 full letter grade, assuming each student begins the semester with an A. For example: 3 absences = B, 4 absences = C, 5 absences = D. **Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class.** An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University sponsored events. Points will be deducted for students who leave class prior to dismissal. **If the student is tardy (more than 10 minutes late), they will be counted absent! For every 3 tardies, the student will receive 1**
absence! Attendance will be strictly enforced. It is the responsibility of the student to keep track of their number of absences.

Attendance in dance technique classes will be checked and applied as attendance/participation in the grading of this course. Failure to meet the required attendance policy for any dance technique course may result in the removal, of the student, from a choreographic work or removal of a choreographic work in its entirety from the Danceworks Concert. Attendance and participation will be strictly enforced.

Rehearsal Attendance: Attendance is Mandatory. If you have been cast in a piece and accepted that casting, you are committing to that work. If you are released from all of the dances you have been cast in, you will need to drop the class or receive a failing grade. Attendance will be strictly enforced. While in rehearsal, if you are not being worked with, specifically, it is recommended that you rehearse and go through your personal movement until needed. Do not sit and congregate.

VII. Course Evaluations:

Near the conclusion of each semester, students will electronically evaluate courses taken within the MECFA, through MySFA. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and
accreditation; 2. Instruction evaluation purposes’ and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the MECFA faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!”

VIII. Student Ethics and Other Policy Information: Found at

http://www.sfasu.edu/policies, https://www.sfasu.edu/docs/policies/10.4.pdf (Code of Student Conduct and Academic Integrity)

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilitieservices/

Student Academic Dishonesty: Policy 4.1

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5

Upon the request from student to the instructor of record and at the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH may be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

If a student has been found guilty of academic dishonesty, a grade of “WP” or “WH” may be changed to “WF” at the discretion of the faculty member. In the case of a grade change to “WF”, the course will not count towards the six course drop limit since the student is incurring an academic penalty.

Student Code of Conduct: Policy 10.4
Disorderly conduct including but not limited to: (a) disruption or Interference of Students, faculty, administration, staff, the educational mission, or routine operations of the University. (b) Commercial solicitation on campus or with University resources without prior approval from University officials. (c) Failure to comply with a reasonable and lawful request or directive of University Officials. (d) Facilitation of Student misconduct including but not limited to assisting, conspiring, soliciting, or encouraging others to engage in conduct which violates the Student Code of Conduct. More information on Student Code of Conduct can be found at https://www.sfasu.edu/docs/board-regents/student-code-of-conduct-10.4.pdf

The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

SFASU values students' mental health and the role it plays in academic and overall student success. SFA provides a variety of resources to support students mental health and wellness. Many of these resources are free, and all of them are confidential.

**Code of Ethics for the Texas Educator:**

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify
honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

   A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a **non-refundable fee**. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification. You are eligible to request a Preliminary Criminal History Evaluation if:

   - You enrolled or planning to enroll in an educator preparation program or
   - You are planning to take a certification exam for initial educator certification, and
   - You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

   You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

   In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at [https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/](https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/).

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at [http://www.tx.nesinc.com/PageView.aspx?f=GEN Tests.html](http://www.tx.nesinc.com/PageView.aspx?f=GEN Tests.html). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to
certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information, contact the Office of Assessment and Accountability at 936-468-1282 or edprep@sfasu.edu.

Classroom Etiquette

Cleaning protocols should be performed before/after each class and rehearsal. Supplies can be found in the storage closet.

1. To create a clean flow of traffic, please enter the studio through the main door and wait for classes to finish before entering. Walking into a classroom before it is finished is disrespectful.
2. Do not loiter in the hallways or faculty offices. There are study rooms available, designated lounge areas in the lobby, or you can enjoy the beautiful outdoor spaces on campus.
3. Disinfecting wipes will be used to clean the ballet barres. 2-4 dancers need to clean the barres before/after each class and rehearsal regardless if they were used or not.
4. Disinfecting spray or wipes will be used to clean ALL door handles, inside and out, and light switches. 2 dancers are needed for this task.
5. 2 dancers will sweep the dance studio floor using the push brooms. The debris will be thrown away in the dance studio trash can.
6. Equipment in the conditioning room is only to be wiped down with the cleaning solutions, in the spray bottles, in the storage cabinet located in the conditioning room. Any other chemicals can damage the equipment.

Classroom Rules of Conduct:

1. Please be on time. It is considered disrespectful to walk into a dance class late. If the student is tardy, he/she should first ask the instructor for permission to join class. If the warm-up is missed, the student may stay and observe the rest of the class.
